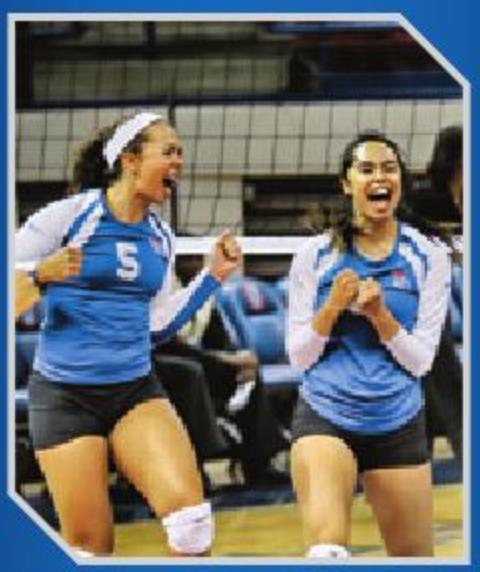
Athletic Vision

Louisiana Tech University will be a conference leader in performance by investing strategically in student-athletes' development, providing superior facilities and enhancing program support to achieve a local and national image of success and dominance.



Athletic Mission Statement

Embody excellence in everything we do.

Develop student-athletes to maximize their potential in mind, body and spirit.

Bring pride, admiration, and loyalty to the University family, community and state.

Win with integrity.

WE ARE LOUISIANA TECH UNIVERSITY

WELCOME TO THE FAMILY

"Athletics is a central part of Louisiana Tech and an integral component of our efforts to elevate the institution's national standing. It is essential that we continue to focus on the success of our student-athletes and ensure that a winning athletics program is achieved with integrity and class."

-- Tech President Dr. Les Guice

AT LOUISIANA TECH YOU ARE NOT A NUMBER, YOU ARE FAMILY.

LOUISIANA TECH

- ☆ is classified as a Tier 1 National University, the only Carnegie Doctoral/High Research University and the only SREB Doctoral Four-Year 2 Research University in north Louisiana.
- ☆ is the highest ranked university in Louisiana in starting median pay for graduates (PayScale.com's 2012-2013 College Salary Report)
- ☆ is ranked as one of the nation's 25 Most Affordable Colleges (for both in-state and out-of-state students) by Newsweek and The Daily Beast.
- ☆ is ranked No. 21 in the nation for providing its graduates with the best returns on their investments (ROI) in their college educations (AdvisorOne.)
- ☆ is ranked No. 17 in nation among "Low Cost Colleges with High Starting Salaries for Graduates" (Affordable Colleges Online)
- ☆ is ranked No. 11 in the nation in list of "25 Most Underrated Colleges In America" from Business Insider.

Dr. Les Guice became the 14th president in the history of Louisiana Tech University on July 1, 2013.

"Louisiana Tech has a really great foundation of excellence, and we're not starting from scratch by any means. We've got so many of the ingredients in place. My vision is to continue to progress Louisiana Tech in national prominence, but to turn that national prominence into things that bring benefit to North Louisiana, to our citizens of this state and to all of the students and stakeholders of the university."

-- Dr. Les Guice, University President

QUARTER SYSTEM - BIG ADVANTAGE FOR THE STUDENT-ATHLETE

Louisiana Tech has a unique advantage of being on the quarter system as opposed to the semester system. The quarter system provides significant advantages for the students:

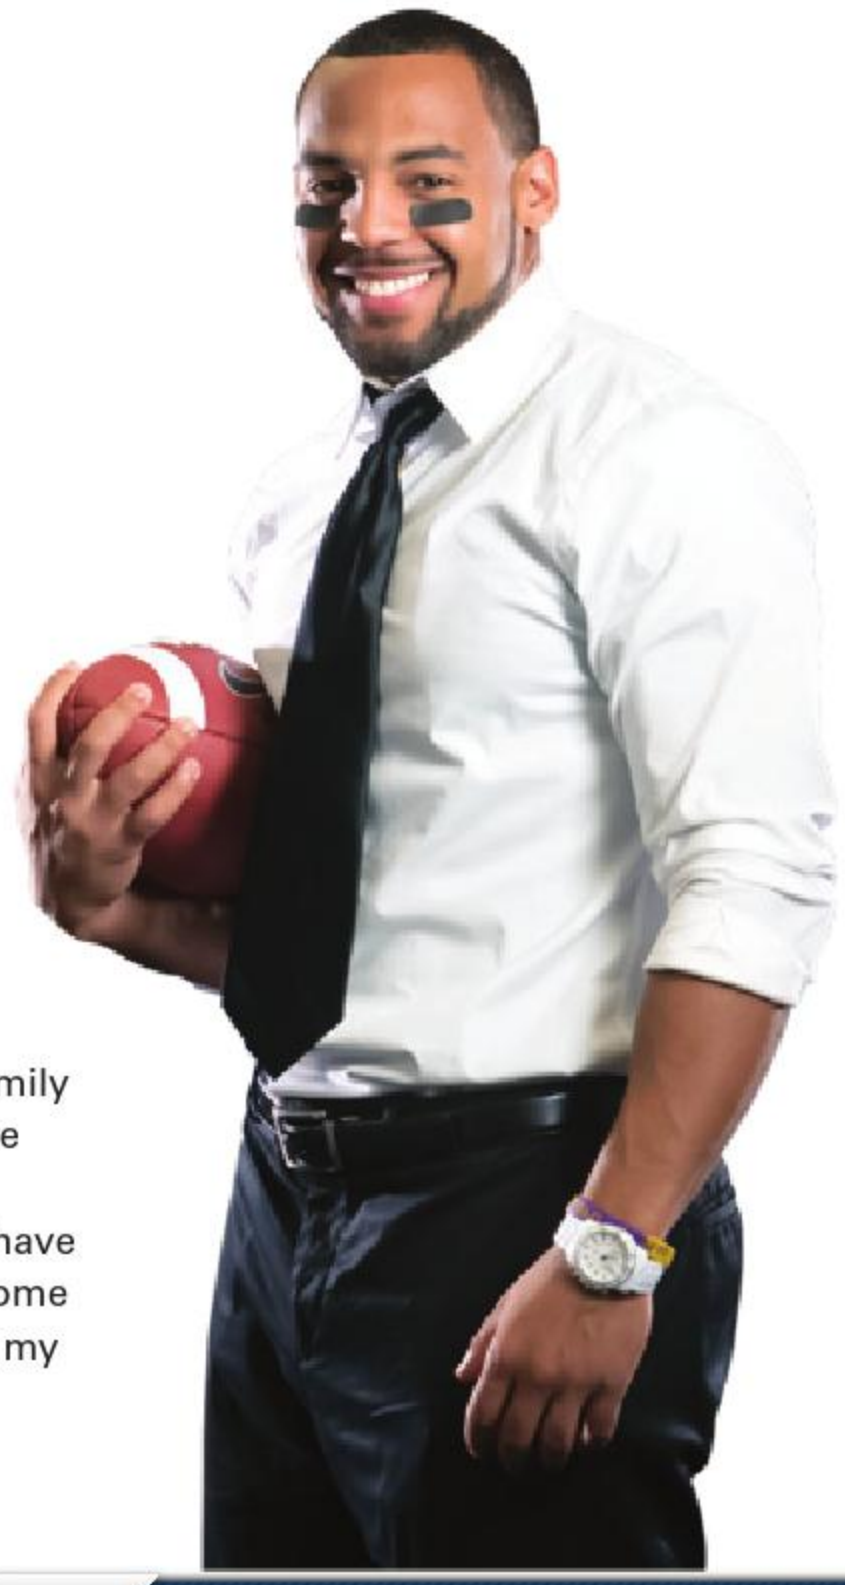
- ☆ Lighter workload (take 3 classes instead of 5)
- ☆ Shorter academic sessions (12 weeks instead of 18)
- ☆ More frequent breaks during and between academic sessions
- ☆ More opportunities to withdraw or drop a class and still remain TOPS eligible

HELPING PUT THE STUDENT INTO
STUDENT-ATHLETE

THE BULLDOG ACHIEVEMENT RESOURCE CENTER (BARC) is committed to the success of Louisiana Tech's student-athletes.

PROGRAMS PROVIDED BY BARC

- ☆ Tutoring and group help sessions in all subjects
- ☆ Supplemental instruction from students who have already successfully completed a certain course
- ☆ Writing assistance
- ☆ Advising opportunities
- ☆ Referral program for students needing additional assistance
- ☆ Computer labs and study hall space



"Louisiana Tech has allowed me to be a part of a bigger family and not just another number enrolled in a university. Here you are able to have a personal relationship with other students and other professors in your field of study. You have that one-on-one time if you have problems. Tech has become a second home to me and my two brothers. I love it, and my family loves it."

- Lyle Fitte, Senior (Port Sulphur, La.)

"Being a student and an athlete at the same time has its challenges, but is totally worth it. I wouldn't have been able to do any of this without the amazing teachers at Tech ... And the quarter system is absolutely amazing! We only have to take four classes at a time, plus we get more vacation/breaks than any other school."

- Erin Kipp, 2013 Capital One CoSIDA Academic All-American (2nd team)

Bulldog running back Ray Holley became the fourth LA Tech student-athlete (second football player) to earn first team Capital One CoSIDA Academic All-American honors. Holley carried a 3.50 grade point average while pursuing his master's degree in counseling. On the field, he rushed for 740 yards and seven TDs.

– Ray Holley, 2012 Capital One CoSIDA Academic All-American (1st team)

BRAD HERMAN heads up the Louisiana Tech athletics academic center to help the University's student-athletes excel in the classroom and ultimately earn their degrees, something that is the No. 1 goal for the administration and coaches at Tech.

"One of my best experiences this year has been to study and play tennis at Louisiana Tech University. It was difficult to get away from my family, but here the people are very friendly, fun and help you at all, so now I feel at home. I am very happy in the field of my sport (tennis) because Coach Gomez has helped me during the time that I've been here. He does the best he can and helps us to improve our tennis, studies and daily life. "

- Alexandra Starkova, Sophomore (Madrid, Spain)

TODAY'S FRESHMAN IS TOMORROW'S GRADUATE

LOUISIANA TECH

- ☆ saw Ray Holley (football) and Erin Kipp (softball) earn Capital One CoSIDA Academic All-American honors last year.
- ☆ saw 68 student-athletes earn Academic All-WAC honors in 2012-13 (and more than 900 during its 12-year membership in the league).
- ☆ saw four programs record their highest single year Academic Progress Rate (APR) while seven of them earned their highest four-year APR.
- ☆ saw the Bulldog golf program earn an NCAA Public Recognition Award for the third straight year, after ranking in the top 10 percent in multi-year APR for their respective sport.

Louisiana Tech's student-athletes recorded an all-time high **four-year graduation success rate of 76 percent**, which was four percentage points better than the previous record-high of 72 percent.

LOUISIANA TECH

- ☆ boasts the University of Louisiana System's highest graduation rate at 54.8 percent.
- ☆ boasts the ULS' fastest time to completion for first time baccalaureates at 4.9 years.
- ☆ boasts the ULS' highest average freshman ACT scores at 24.1.

QUEST *for* EXCELLENCE

The Campaign for Louisiana Tech Athletics

QUEST FOR EXCELLENCE – Meeting the Needs of Tech's Student-Athletes

The construction of a 90,000-plus square-foot multipurpose facility in the south end zone of Joe Aillet Stadium will benefit every student-athlete at Louisiana Tech University.

STUDENT-ATHLETE BENEFITS INCLUDE:

- ★ New academic center
- ★ New state-of-the-art sports medicine facility
- ★ New strength and conditioning complex
- ★ New coaches offices and locker rooms for football, baseball, soccer, tennis, softball, golf and track and field
- ★ Video room with state-of-the-art capabilities
- ★ New auditorium for team and departmental meetings

More than $12 million of the projected $20 million has already been committed as the project is moving forward and could break ground as soon as spring of 2013. Tech alums Steve Davison (pictured), Terry Bradshaw and Drake Mills form the Leadership Team that is spearheading the fundraising for the facility, along with Tech Athletics Director Bruce Van De Velde.

LOUISIANA TECH already ranks among the state and conference leaders in student-athlete graduation rate and in Academic Progress Report rate, and the new academic center will further enhance and emphasize the University's commitment to the classroom.

Since Louisiana Tech joined the WAC in 2001, its athletic programs have captured 29 team championships and dozens of individual titles.

Louisiana Tech has contracted with renowned sports architectural firm **Populous** to develop a master facility plan. Populous has created some of the most recognizable professional sports venues in the country:

★ Yankee Stadium
★ Busch Stadium
★ AT&T Park
★ Pepsi Center
★ PNC Park
★ PETCO Park
★ Oriole Park at Camden Yards
★ Reliant Stadium

SUCCESS BREEDS SUCCESS

LOUISIANA TECH'S ATHLETIC DEPARTMENT:

- ☆ officially became a member of Conference USA on July 1 as the University made the all-sports move to the 16-team league.
- ☆ introduced Tommy McClelland as the new athletic director during a press conference held at the Charles Wyly Athletic Center on July 16.
- ☆ completed facility additions and renovations to J.C. Love Field, the Lady Techster Softball Complex and the Lady Techster Soccer Field.
- ☆ ranked eighth in the nation in combined winning percentage for the University's football and men's basketball teams (was the top-ranked non-AQ program).
- ☆ saw completion and the dedication of the Scotty Robertson Court located in Memorial Gym, which serves as a practice facility both the Bulldogs and Lady Techsters.

ON THE PLAYING FIELDS:

☆ Men's basketball earned its first Top 25 ranking since 1985, captured its first regular season conference championship since 1999, and won the second most games in program history during WAC Coach of the Year Mike White's second season.

☆ Football earned its first Top 25 ranking since 1999, led the country in scoring offense and total offense, defeated two BCS schools in Illinois and Virginia in consecutive weeks and saw punter Ryan Allen repeat as the Ray Guy Award winner and quarterback Colby Cameron win the Sammy Baugh Award.

☆ Soccer recorded an 11-game unbeaten streak which included a 1-1 tie against No. 19 Denver and finished the year 12-5-4 with a roster that included 17 freshmen.

☆ Tennis won seven WAC matches, earned the No. 3 seed in the WAC Tournament and Joanna Nalborska became the program's first ever conference freshman of the year during Freddy Gomez' first season as head coach.

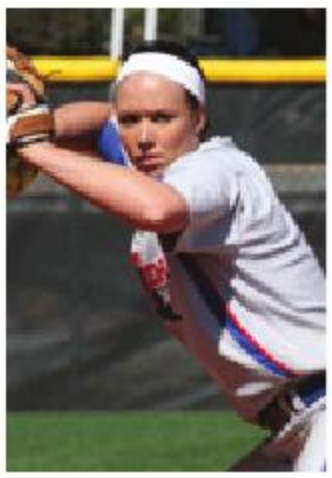
☆ Lady Techster Stephanie Salas finished her collegiate volleyball career and signed a professional contract to play with Guaynabo Mets in Puerto Rico.

☆ Baseball recorded its lowest team ERA (4.48) in two decades as sophomore Phil Maton earned first team all-conference honors while leading the WAC in strikeouts.

☆ Bowler Kayla Ghersini was nominated for NCAA Woman of theYear after posting a 3.35 grade point average in economics as an undergrad and a 3.32 in graduate school.

☆ Kim Francis became the first Tech hurdler to run a sub-13.00 time in the 100-meter hurdles and competed in the NCAA Outdoor Championships.

☆ Trey Hadnot earned his third All-America honor by winning the bronze medal in the 200-meter dash in the NCAA Indoor Championships.



☆ Bulldog golf saw Victor Lange and Travis Wilmore capture individual titles during the season while the program earned its third straight NCAA Public Recognition Award for ranking in the top 10 percent nationally in Academic Progress Rates.

☆ Softball recorded a winning record under first year head coach Mark Montgomery while also registering a winning mark in Western Athletic Conference play and earning its highest seed ever in the WAC Tournament.

☆ Women's basketball was invited to play in historic Madison Square Garden against Rutgers as part of the Maggie Dixon Classic.

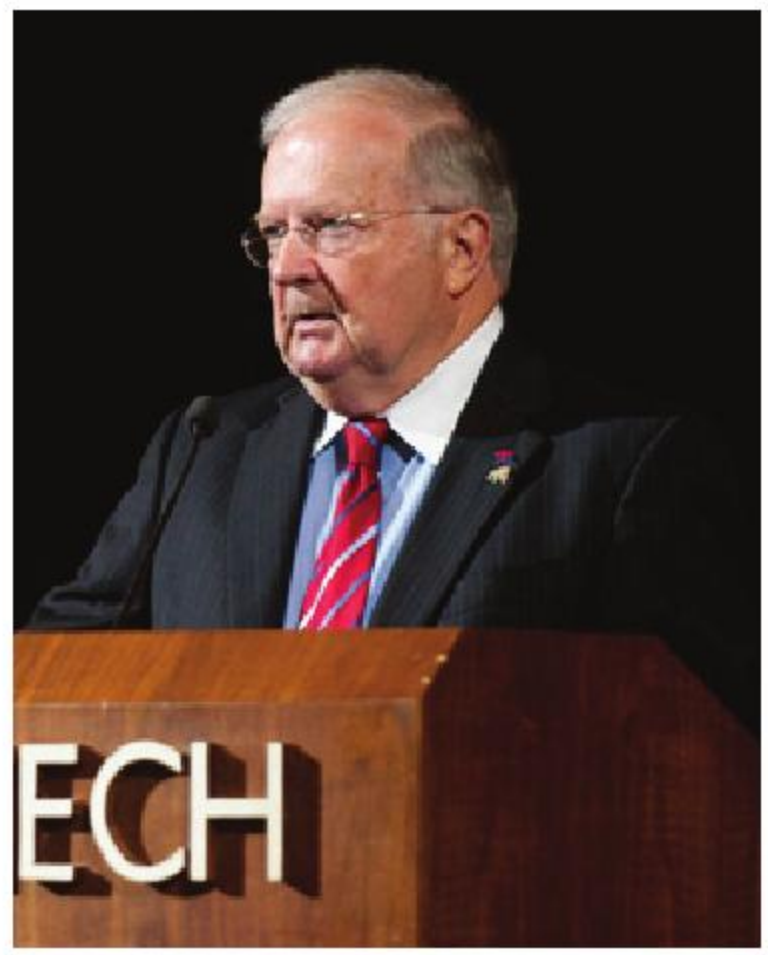
USA ... USA ... USA ...

AS IN CONFERENCE USA

Louisiana Tech begins its first year as a member of Conference USA after a successful 12-year affiliation with the Western Athletic Conference.

C-USA will consist of 16 teams with nine of those residing in the central time zone including Tulane, Southern Miss, Rice, Tulsa, UTSA, North Texas, UAB and Middle Tennessee. The league also includes consists of seven schools outside of the central time zone including UTEP, Marshall, Charlotte, East Carolina, Old Dominion, FIU and Florida Atlantic. This allows the Bulldogs and Lady Techsters to create natural geographic rivalries with a host of outstanding academic and athletic institutions.

C-USA is strengthening itself for the future with growing institutions, in large and thriving markets, with tremendous upside potential.



On the Web

Website: *ConferenceUSA.com*
Twitter: *@Conference_USA*
Facebook: *ConferenceUSA*
Instagram: *Conference USA*

TV Markets

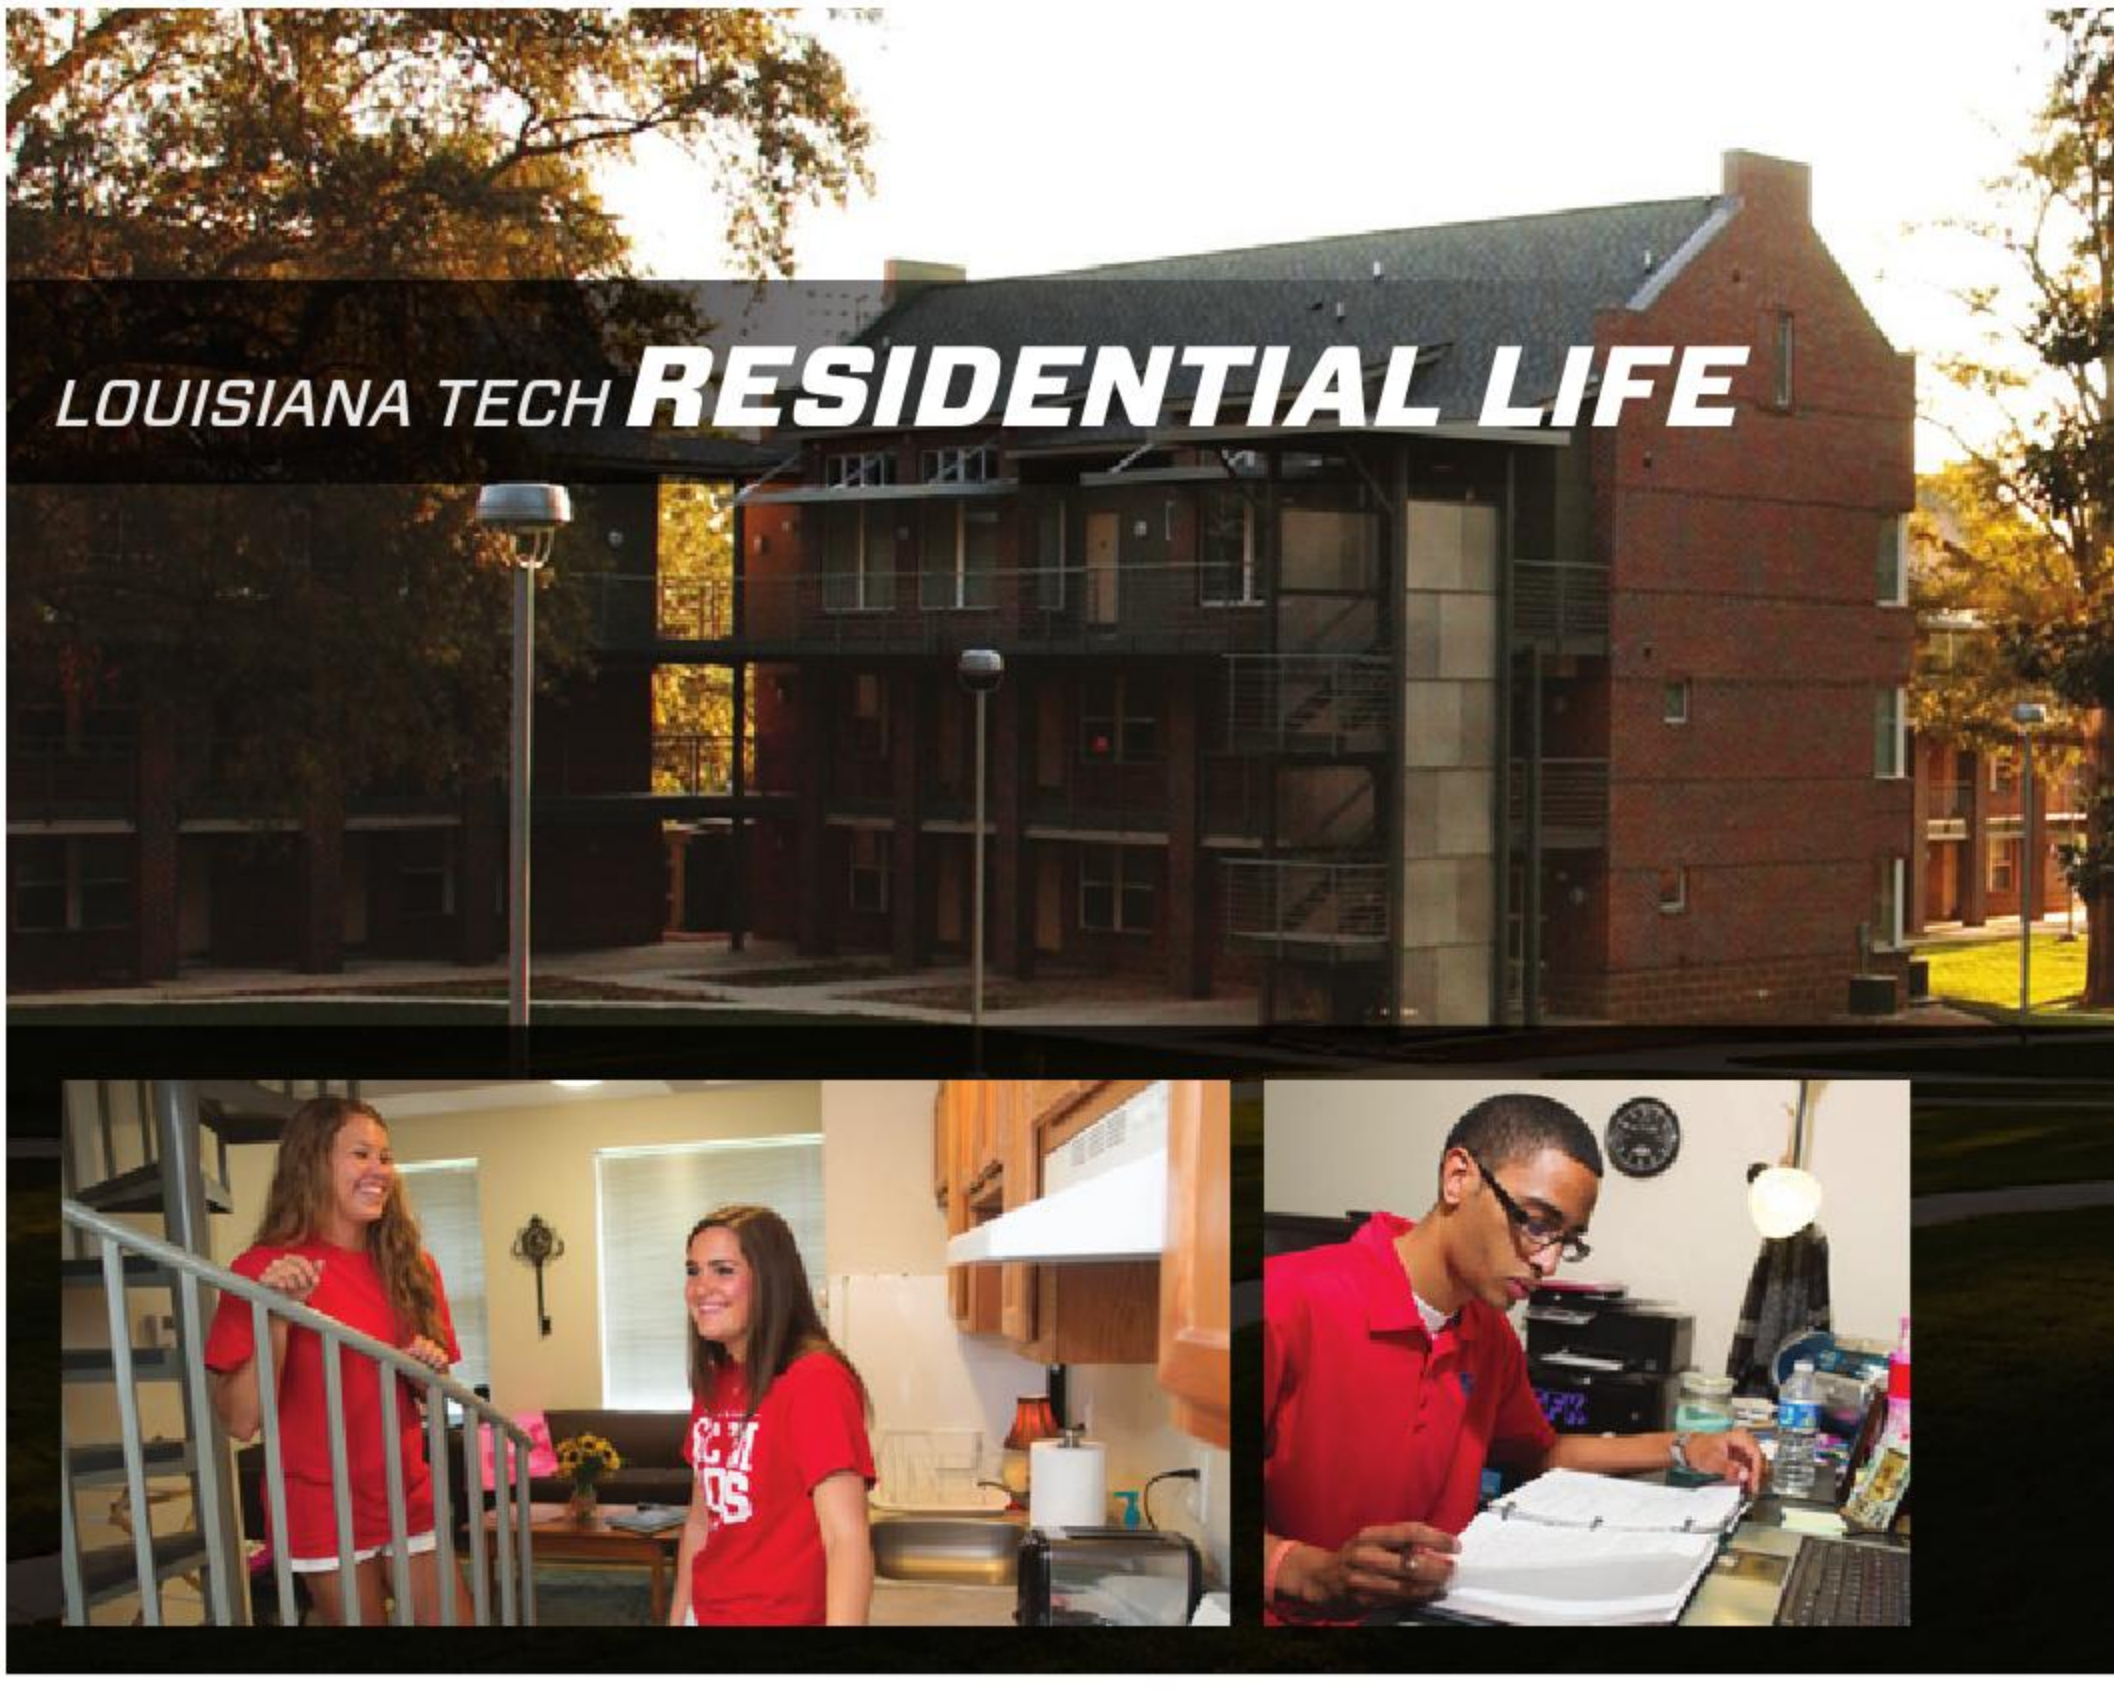
- ☆ As one of the largest FBS conferences in 2013, C-USA membership will include institutions in 12 of the top 65 television markets, eight in the Top 40 and four in the Top 25 according to Neilson.
- ☆ C-USA home markets this year will include more than 14.5 million TV households, a 43 percent increase from last year.
- ☆ C-USA is a highly-recognized national brand. The league has great television partners with Fox Sports Media Group, CBS Sports Network and ESPN.

Competitive Success

- ☆ C-USA teams are 8-2 in bowl games in the last two years. C-USA has five primary bowl agreements and two additional secondary agreements for alternative years.
- ☆ LA Tech (Illinois, Virginia), Middle Tennessee (Georgia Tech) and Tulsa (Iowa State) all defeated BCS teams during the 2012 football season.
- ☆ Seven C-USA men's basketball teams in 2013-14 will be coming off postseason appearances, including LA Tech's NIT berth.

Academic Success

- ☆ C-USA has recognized more than 22,000 student-athletes for their academic achievements. Since 2006, the number of student-athletes qualifying for the Commissioner's Honor Roll has increased by more than 60 percent.
- ☆ Since 2008-09, C-USA has acknowledged more than 150 student-athletes through the Spirit of Service Award, highlighting community outreach and athletic and academic achievements.



University Park is a community of Tech students who want the convenience of on-campus living and the privacy and sophistication of high-tech, spacious apartments and townhouses with a signature Louisiana Tech view.

UNIVERSITY PARK AMENITIES

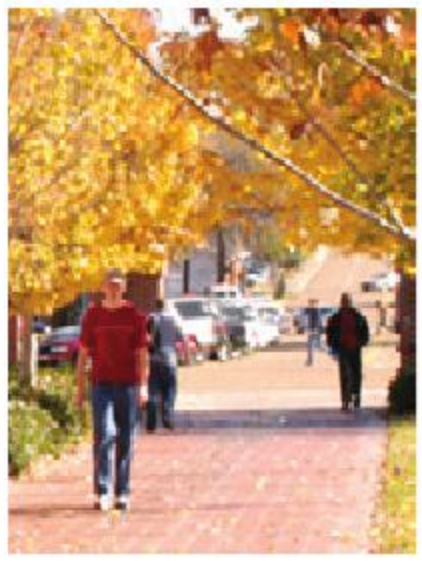
- ☆ 2- and 4-bedroom designs
- ☆ Townhouse features a spiral staircase to a loft with two bedrooms and a bath
- ☆ Private bedroom phone and cable television
- ☆ Kitchen equipped with range and refrigerator
- ☆ High speed internet access
- ☆ A pedestrian bridge provides easy, direct access from UP to the heart of campus

CLASS IS OVER ... TIME TO EAT AND SOCIALIZE!

The Student Center's all-you-care-to-eat Café is a good start. Also, in the Student Center, there is a Chick-fil-A, Asian fare, sushi, salads, homestyle burgers and more. In Tolliver, take your pick from McAlister's Deli or pizza or grab something from the convenience store.

Watch bigscreen TVs and utilize the wireless internet hot spots while you eat in Tolliver, or sit outside on the picnic tables or in either of two dining areas in the Student Center. Students can also get plenty of Louisiana flavor as Ruston is full of local restaurants that range from a little Cajun spice to southern down-home cooking.

Also one of the most frequented areas of campus where students hang out to study and socialize is under the century-old oak trees located in the quadrangle.



LOUISIANA TECH
STUDENT LIFE

There are over 180 student organizations on the Louisiana Tech campus. Plus LA Tech offers 16 NCAA sanctioned athletic programs (Bulldogs and Lady Techsters) and of course Tech students are some of the best fans in the South. This year Tech students can make plenty of road trips to follow their beloved Bulldogs and Lady Techsters as the University makes the all-sports move to the geographical friendly Conference USA.

The **MISS TECH** pageant is just one of many annual student events on campus, including unity step shows, Greek Week, Spring Fling, homecoming, talent shows, concerts, intramurals, sporting events, student organizations, theatrical and musical productions and more.

AFTER CLASS

The Lambright Sports and Wellness Center is both old and new. A $12 million expansion means two pools, sunbathing, Counter Culture at LA Tech, and plenty of relaxing social opportunities. It also contains a rock climbing wall, bowling alleys, basketball courts as well as plenty of cardio and weight training . It's a place of leisure or a place to challenge yourself.

LOUISIANA TECH'S

PROMINENT ALUMNI

Louisiana Tech continues to give back on a global level in every profession and every day, either on center stage or behind the scenes. Tech alums seize the opportunity on campus to make a difference off it; because of you, the University's influence spreads, now more than ever.

Leon Barmore: Best winning percentage of any other coach in history of NCAA women's basketball, five-time Hall of Famer

Albert Bourland: Retired President of Daimler-Benz Washington, Inc., manufacturer of Mercedes Benz

Terry Bradshaw: Member of FOX NFL Sunday, NFL Hall of Fame, No. 1 pick in the 1970 NFL draft, winner of four Super Bowls

Kix Brooks: Songwriter, guitar player, entertainer, Tech fan, host of American Country Music Countdown

John D. Caruthers, Jr.: President of the Seven States I-69 Mid-Continent Highway Coalition

Tara Collins: Developer of the MediKin Hematology Teaching Vein, a "hands on" way of understanding blood disorders and diseases, especially HIV/AIDS

James Davison: Developer of Squire Creek Country Club, Board of Directors for Genesis Energy, former Chairman of the Board of Supervisors for the University of Louisiana System

Benny Denny: CEO of Bank of Ruston, President of Louisiana Tech University Foundation

Rosemary Ellis: Editor of Good Housekeeping Magazine

A.C. Hollins, Jr.: Vice-President/Director of Operations & Infrastructure for National Security Technologies, LLC (NSTec), Las Vegas

Emily Howell and Julie Bartlett Stephenson: Back-to-back recipients of "Teacher of the Year" award in Louisiana, high school division, in 2012 and 2011; Jenny Marie Blalock was 2011 Louisiana Elementary School Teacher of the Year

Sandy Johnson: President/owner of Barrios Technology in Houston; earned NASA's highest award – the George M. Low Award for Quality and Excellence, won twice – and in 2004 received NASA's highest honor, the Distinguished Public Service Medal.

Karl Malone: Two-time NBA MVP, Ruston-area businessman, member of Naismith Memorial Basketball Hall of Fame, second-leading scorer in NBA history

Michael McCallister: Chairman of the Board/CEO of Humana, Inc., which employs 30,000 nationwide and has revenues of $33 billion

Eddie McGough: Senior Vice President for Alcon Laboratories, a global medical company specializing in eye care products

Hilton Nicholson: CEO of Sixnet, member of FCC Advisory Board

Mervin Parker: Corporate Forestry Manager of Hunt Forest Products, a privately held company with more than 65,000 acres of timberland owned and managed and more than 700 employees in the state of Louisiana

Scott Poole: Senior Vice President & Chief Operating Officer, Roy O. Martin Lumber Company, one of the largest independently owned forest products companies in the South

Glen Post, III: Chief Executive Officer and President of CenturyLink, which employs nearly 48,000, has operating revenues of $4.596 billion on a consolidated basis and is the third largest telecommunications company in America

Max Watson, Jr.: Founder and President of BMC Software, Inc.; named by Forbes Magazine in Top 15 of 200 Best Small Companies

Teresa Weatherspoon: Named one of the top 15 players in WNBA history, Women's Basketball Hall of Famer, coach of the Lady Techsters basketball team, Olympic gold medalist and Wade Trophy winner

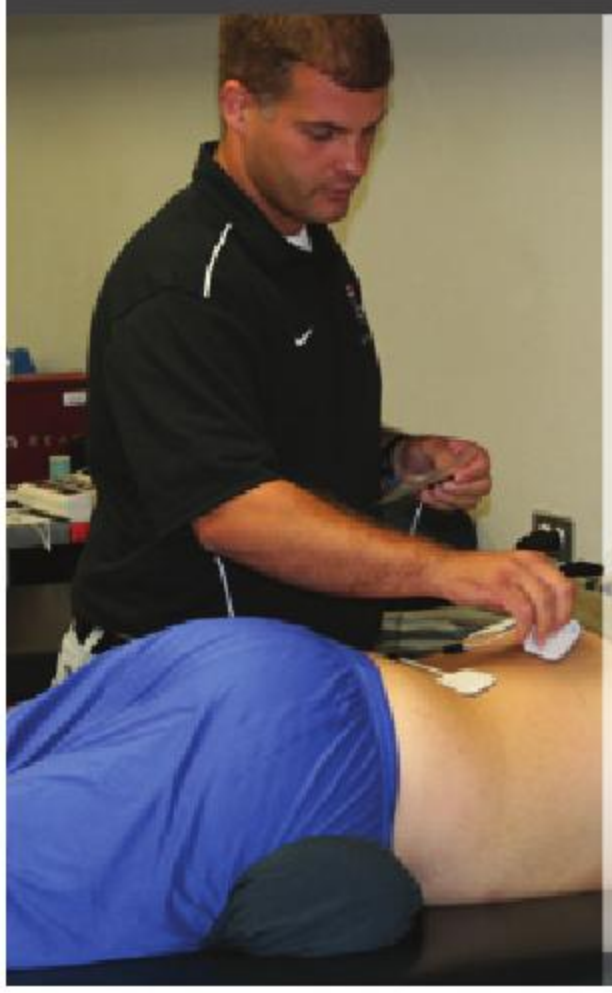
Sam Wyly: Co-founder of Green Mountain Energy, Maverick Capital, Ranger Capital Group, Michaels Stores, and Sterling Software, Inc.

DR. WILLIAM BUNDRICK
SPORTS MEDICINE CENTER

MORE THAN 3,800 SQUARE FEET OF ATHLETIC TRAINING FACILITY BUILT IN 2001.

CONTAINS:

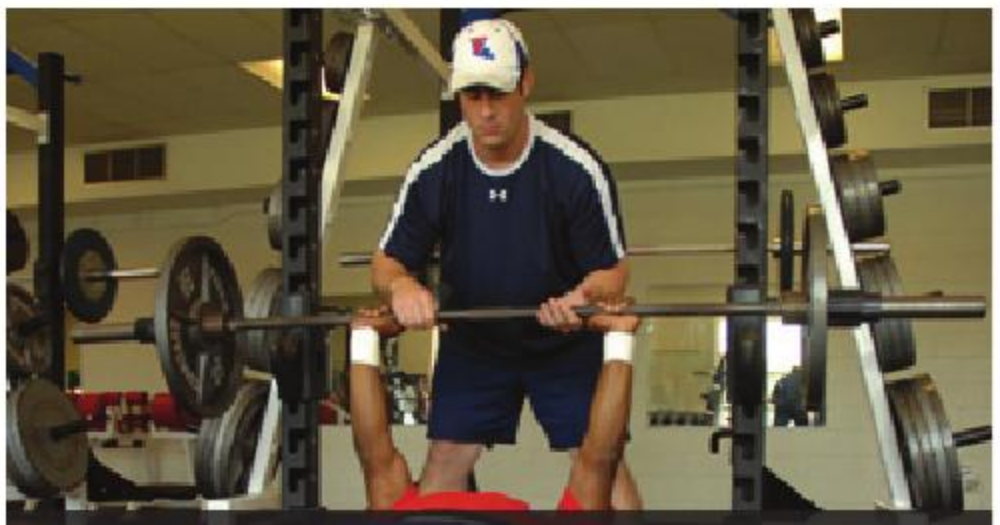
- ☆ swimex therapy pool
- ☆ cardiovascular equipment
- ☆ training tables
- ☆ private staff offices
- ☆ physicians examination room



KEITH BUNCH is the head athletic trainer at Louisiana Tech University and is a certified member of the National Athletic Trainers' Association and the Louisiana Athletic Trainers' Association.

Dr. William Bundrick is the Bulldogs team physician and he is also the benefactor of the Sports Medicine Department located in the Charles Wyly Athletic Center – home of the Tech football program.

KARL MALONE WEIGHTROOM



NEW STATE-OF-THE-ART EQUIPMENT

- ☆ 8 powerlift nine-foot combo power racks with platforms
- ☆ 8 powerlift glute ham machines
- ☆ 15 hammer strength machines
- ☆ 2 sets of iron grip GX dumb bells (5 to 150 lbs)

KURT HESTER is the head strength and conditioning coach at Louisiana Tech and is a certified member of the Collegiate Strength and Conditioning Coaches Association.

Louisiana Tech legend Karl Malone, who is considered one of the most well-conditioned athletes in the history of the NBA, funded the new state-of-the-art equipment in the Karl Malone Weightroom.

ADRIANO DE SOUZA
Head Coach

Adriano de Souza will enter his second season at the helm of the Louisiana Tech women's volleyball program after a rebuilding year in his first season with the Lady Techsters in 2012.

In early 2012, Louisiana Tech announced the hiring of de Souza, a longtime Division I assistant coach, from Illinois State as the ninth head coach in Lady Techster volleyball history. In his inaugural season, de Souza's squad compiled a 3-27 record on the court.

De Souza, who is a native of Sao Paulo, Brazil, replaced Matt Sonnichsen, who resigned following the 2011 season after four years at the helm of the program. The 40-year-old de Souza has brought a wealth of both collegiate and international coaching experience to Ruston as well as recruiting ties in both the United States and overseas.

De Souza's coaching resume spans 17 years and boasts stints at the club, high school and collegiate levels, including assistant coaching positions at Illinois State, Miami (OH) and Kent State over the course of his career.

Before coming to Louisiana Tech, de Souza spent the past four years as an assistant volleyball coach at Illinois State where he helped rebuild the Redbirds program, leading it to the semifinals of the Missouri Valley Conference Tournament two straight years.

Prior to his time in Normal, Illinois, de Souza furthered his reputation by serving on the staff at Miami (OH) for three seasons from 2005-07 where he was instrumental in helping the RedHawks reach the 2007 NCAA Tournament after capturing the Mid-American Conference Tournament title that season. Two of Miami's wins that season came against nationally-ranked Ohio, the four-time defending conference champion. The only other team in the country to sweep the Ohio Bobcats in 2007 was national runner-up Stanford.

In de Souza's first season at Miami in 2005, the RedHawks recorded the most wins (17) since the 1998 Mid-American Conference championship team went 27-8. In 2006, Miami finished fourth in the MAC regular-season race, the RedHawks' best finish since 2000.

De Souza was also a volunteer assistant at Kent State in both the 2003 and 2004 seasons, while completing his master's degree in sports pedagogy. He also volunteered as an assistant coach with the boys' volleyball team at Stow (Ohio) High School in 2004, and as the head coach of the Club Q Sport 17's team in 2004-05.

Prior to de Souza's time in Ohio, his coaching career in the U.S. started with two years as the head women's volleyball coach at Union College (Ky.) while he took postgraduate courses. In his first head coaching stint, de Souza led the Bulldogs to a second-place finish in the Mid-South Conference and the program's first NAIA regional appearance in his final season in Kentucky (2000).

De Souza, originally from Brazil, a country with a great volleyball history and tradition, began playing the sport at the age of 14. He spent three years (2001-03) as the volleyball coach and co-administrator for two men's teams in the city of Rio Claro, Brazil. His under-21 men's team was the regional runner-up all three years, while his under-19 men's team was the APV League Champion in 2001, and posted a runner-up finish in 2002. In 1999, de Souza mentored the under-21, under-19 and under-16 women's programs at Club Regatas in Campinas, Brazil, before coming to the United States to begin his Division I coaching career.

He also served a three-year stint as the head men's volleyball coach at the State University of Campinas (1995-97), where his team won sectional championships in 1996 and 1997, finished second at the Metropolitan Championships in 1995 and 1996, and placed third in 1997.

Since 2001, Adriano has worked with Antonio Rizola, the head coach of the Brazilian Junior National Team, in developing methods to improve players' game intelligence in preparation for South American and World Championships. In 2007, he volunteered for the Brazilian Youth National Team when it competed at the World Championship in Mexico under Rizola.

He has also been a liaison and interpreter for the United States Women's National Team (1994) and Japanese National Junior Team (1993) in their respective visits to world championship competitions in

Brazil.

De Souza has co-authored numerous books and articles on sports and coaching. He graduated with his bachelor's degree from Universidade Estadual de Campinas in Sao Paulo, Brazil in December 1997, and completed his master's degree at Kent State in May 2006.

Marcela Cunha begins her second season as an assistant coach on the Lady Techster volleyball staff under head coach Adriano de Souza after serving as an assistant at the University of West Florida for four years.

Cunha comes to Ruston with plenty of experience and knowledge of collegiate volleyball after spending the past four seasons as an instrumental member of the West Florida volleyball staff where the program has won more than 100 matches and four straight Gulf South Conference championships.

"Marcela comes from a winning program and has experienced what it takes to build success at the University of West Florida," said de Souza. "Her mind for the game, her work ethic and her values fit what we need for our program development, and she will have a positive impact on our student-athletes."

In 2011, Cunha was a key figure for the Argonauts, helping guide them to a 25-9 overall record, including an undefeated conference season and appearance in the NCAA Regional Tournament.

Out of high school, Cunha was a member of the Northern Kentucky volleyball squad where she totaled 19 service aces and averaged 2.12 digs per game as a freshman. She received the 2002-03 and 2003-04 AVCA Team Academic Award and made the GLVC All-Academic Team both years.

After starting her collegiate playing career at Northern Kentucky, Cunha earned her bachelor's and master's degrees in business administration from West Florida where she was also a standout player for the Argonauts for two years, helping lead the program to its first NCAA Tournament appearance in school history in 2006.

During her career as a setter at West Florida, Cunha recorded 1,286 assists which is the third highest career total in Argos history. In 2004, she registered 59 assists against Northwest Missouri which was the fourth highest single match total in school history.

Her senior season she led the team in assists with 7.73 assists per game and was named to the All-Gulf South Conference second team and the GSC All-Academic team.

Cunha, who was a three-time all-state selection in high school, has coached volleyball camps since 2003, working at camps hosted by West Florida, Northern Kentucky, Auburn, Florida, Tampa and Florida Southern.

She is the daughter of Francisco and Celia Cunha and has a younger sister, Michele.

Former Louisiana Tech volleyball player Gabryel Ording enters her first season on the LA Tech coaching staff as she joins the Lady Techsters for the 2013 season as an assistant coach, head coach Adriano de Souza announced in early 2013.

"I am happy to welcome Gabryel Ording back to Louisiana Tech University as one of our assistant coaches," de Souza said. "Her return to Louisiana Tech Volleyball is a great asset for our program. She has the values and the mindset that I look for in assistant coaches."

Ording completed her senior season in 2012 and earned her bachelor's degree in Kinesiology last November.

Over the course of her time at Louisiana Tech, Ording lettered all four years and was also the volleyball program representative in the SAAC (Student Athlete Advisory Committee).

Ording now returns to Louisiana Tech Volleyball to continue using her work ethic and knowledge to continue the development of the Lady Techster Volleyball Program.

While a student-athlete at Louisiana Tech, Ording was not only always prepared for all the practices and matches she competed in, but she was also a leader who contributed to the organization and development of the program on and off the court, de Souza added.

"To the benefit of our student-athletes, Gabryel will continue to be a great example of responsibility and dedication to our program."

2013 OUTLOOK

After a busy offseason, Louisiana Tech volleyball will return to the court in 2013 with plenty of fresh faces to kick off a new era as the team begins its first season as a Conference USA member.

Despite losing just two seniors from the 2012 team, head coach Adriano de Souza brought in nine new student athletes to partner with the four players he returns from last season's roster.

With a full season under his belt and a team in the process of growth and change, de Souza and the Lady Techsters are looking to build on a productive spring and offseason and hope to enter LA Tech's inaugural season in Conference USA with renewed confidence.

"In September, we will start our first season in Conference USA," de Souza said. "Until then, we will be training every day to fine tune our game and train several lineup possibilities that will help us in the process of learning to develop our team performance this season. I hope non-conference competition goes well, that we learn a lot from it. The team is very different and I hope that by our first C-USA match, we are able to impact the game and compete well."

Nine new squad members highlight the 2013 team, as this year's team consists of three junior college transfers, two Louisiana Tech students who made the team via tryouts last spring and four true freshmen.

Jessie Ely, Xzache Mathis and Rebecca Redgen make up the transfers on this year's roster and are expected to provide ample playing time for a Louisiana Tech volleyball team in need of skilled, experienced players.

Last spring, de Souza added two sophomores to his roster in Katy McFadden and Isabella Rosania after the two outside hitters expressed interest in joining the program in order to make a difference on and off the court. Since then, the two have done just that and more.

"Our goal is to gradually train the lineup combinations with our outside and right side hitters that benefit the team first," he said. "We hope diversity can help us in our game style and also help maintain our hitters' health."

While the 2013 roster is filled with brand new names and faces, fans will be able to recognize four players from 2012 who will make their return to the court to partner with the newcomers.

Caitlin Germany is the lone senior who will partner with nine newcomers to continue to develop the Lady Techsters volleyball program in 2013. Germany is a three-year letterwinner and one of two upperclassmen Tech returns this season.

Junior setter Maria Coelho is the third and final upperclassman returning to de Souza's roster after a breakthrough sophomore campaign where she averaged 8.36 assists per set and was named All-Louisiana Honorable Mention for her 878 assists over the course of the season.

The final two letterwinners will make their return after successful freshmen seasons as sophomores. Fenix Calderon and Dalane Guidry will look to build on the numbers they put up in 2012 as true freshmen in their return this season.

"I expect a lot from the returning players," de Souza said. "I have worked many hours with them explaining what my goals are and vision for the Louisiana Tech volleyball program since the day I arrived on campus in March of 2012. I hope they have captured all the information we have shared. If they apply what I have prepared them to do since last fall, they will be doing the job I expect from them in order to help our program move fast in the right direction."

Louisiana Tech will open the 2013 campaign Aug. 30-31 at the UTA Hilton Invitational in Arlington, Texas with three matches scheduled against Grambling State, Abilene Christian and UT Arlington over the course of opening weekend.

The Lady Techsters' home schedule begins with a 7 p.m. match Sept. 3 versus UAPB in the Thomas Assembly Center, while the team opens Conference USA play Sept. 27 as Tech plays host to UTEP.

OUTSIDE/RIGHT SIDE HITTERS

The Lady Techsters will see the addition of six new outside and right side hitters on this season's roster. Included in those six additional players are two junior college transfers in Rebecca Redgen and Xzache Mathis, as well as freshman Marta Monne, all of whom will be used to help bring experience to a rebuilt program.

Redgen, a native of Gladstone, Australia, comes to LA Tech from Florida State College at Jacksonville where she played two seasons with the Blue Wave and earned Most Improved Player in her first season in 2011. She was named captain of the squad in 2012 and MVP at the conclusion of her second season at FSCJ where she earned First Team Mid-Florida All-Conference honors in her final season with the Blue Wave. Redgen will spend time as an outside hitter as well as on the right side for the Lady Techsters this season.

Mathis played two seasons at Navarro College in Corsicana, Texas before transferring to Louisiana Tech. While at Navarro, Mathis, a Longview, Texas native, helped lead the Bulldogs to a 15-12 mark in 2011 and an 18-11 record in 2012 as an outside hitter on the squad. Mathis will also see time on the outside and right side for de Souza this coming season.

A native of Varese, Italy, Monne will see ample playing time as a true freshman because of her knowledge of the game and the volleyball culture she originates from, de Souza said. The 5-10 outside hitter came to Louisiana Tech from Barbara Melzi in Italy.

LA Tech also returns sophomore Fenix Calderon, a player who will rotate in as an outside hitter for the squad this season.

Calderon is coming off a freshman campaign that saw her record 132 kills and average 1.97 in the 67 played last season. The sophomore will see playing time on both the outside and right side this coming season.

De Souza and the Lady Techsters will also add two sophomores and a freshmen duo to this year's team at the outside hitter position to finish out the attackers on the 2013 roster.

Katy McFadden and Isabella Rosania will be welcomed additions to this year's team as sophomore outside hitters from Rock Hill, S.C., and Stockton, Calif., respectively.

McFadden prepped at South Pointe High School in South Carolina under head coach Mike Deyton where she was named All-Region and All-State in the Palmetto State over the course of her high school career. McFadden also spent time as a member of the Rock Hill Volleyball Club.

Rosania, a California native, graduated in 2012 from Lincoln High School in Stockton where she was a three-sport athlete lettering in volleyball, soccer and swimming. She was named the 2012 team MVP for Volleyball and also the 2009 and 2012 MVP for her high school soccer team in her time at Lincoln. On the court, Rosania compiled a .359 hitting percentage for Lincoln, while also totaling 104 saves in goal on the pitch.

Angela Papach, a true freshman from Wilmington, N.C., is also set to see playing time as both an outside hitter and on the right side. Papach comes to LA Tech from John T. Hoggard High School where she was a two-sport athlete in volleyball and basketball. Papach was named a Top 10 Hitter in district 4-A in

volleyball during her high school days.

MIDDLE HITTERS

The Lady Techsters return veteran middle blocker Caitlin Germany to the position for her fourth and final season with the program. Germany has led the team in blocks for the past two seasons and totaled 167 career blocks as a three-year letterwinner for Tech.

Joining Germany will be sophomore Dalane Guidry, who returns to the team after seeing action in all 30 matches last season as a true freshman. Guidry recorded 127 kills and averaged 1.37 per set to rank fourth among all Techsters in that category. The Youngsville, La., native also ranked third on the team in total blocks with 55 while averaging 0.59 per set.

Hannah Wright, a freshman from Melbourne, Australia, will also contribute to the middle hitter position for the Techsters in 2013. Wright prepped at Maribyrnong College in Melbourne where she played volleyball and basketball, as well as competing in the long jump, triple jump and high jump. Wright was named the 2012 Volleyball Athlete of the Year for Maribyrnong under the direction of coach Jenny Becker. She was also a member of Falcons Volleyball and Heildelburg Volleyball Clubs in Australia.

SETTER

Junior Maria Coelho returns to the court as the lone setter on this year's roster, a role she is familiar with after playing every set of every match in 2012.

"Maria Coelho trained many hours this past spring and has started to dedicate herself to study the game more," de Souza said. "We can already see that she is running our offense with more experience and better decision-making than before. Her focus is to use our daily training to improve even more during the regular season."

Coelho enters her third season at Louisiana Tech after a breakthrough sophomore campaign that saw her total 878 assists with an average of 8.36 per set. As a result of her outstanding effort throughout the season, Coelho received honorable mention honors by the Louisiana Sports Writers Association at the conclusion of the 2012.

LIBERO

A duo of newcomers in Alejandra Aviles and Jessie Ely will fill the void left by former libero Stephany Salas, who graduated from Tech as the all-time leader in career digs per set and third for digs in a match.

Aviles comes to Ruston from San Juan, Puerto Rico, where she was a standout at the libero position at Colegio Adianez. At Adianez, Aviles was also named to the Liga Atletica de Colegios Cristiano All-Star Game in 2011 and 2012.

In club play, as the youngest libero to ever play for the Guaynabo Mets Under-20 team, Aviles and her teammates won the National Volleyball Tournament of the Puerto Rican Volleyball Federation in 2012 for the second consecutive year.

Jessie Ely transferred to Louisiana Tech from Illinois Central College where she helped lead the Cougars to a ranking of 11th in the nation in one of her two seasons under head coach Sue Sinclair.

A native of Chillicothe, Ill., Ely was an all-conference athlete at Illinois Valley Central High School in both volleyball and softball. Ely also helped lead her high school club to the sectional and regional championship in her junior campaign.

2013 SLATE

The 2013 campaign begins Aug. 30-31 as Louisiana Tech will travel to compete against Grambling State, Abilene Christian and UT Arlington in the UTA Hilton Invitational in Arlington, Texas.

Following the season-opening tournament, LA Tech will return to Ruston to open up its home schedule at 7 p.m., Sept. 3 as the Techsters will play hosts to Arkansas-Pine Bluff on the newly-renovated floor in the Thomas Assembly Center.

"I would like to invite our Louisiana Tech fans to show up in support of this year's volleyball team and come watch us compete this fall. This group has heard from our coaching staff how important it is to do all we can every day to represent Louisiana Tech University to the best of our abilities. I believe sports fans will enjoy watching our volleyball team play this year more than ever before. We train to perform for our community and our staff reinforces to them every day how important it is to put forth their best effort, game intelligence and passion for Louisiana Tech every time they step on the Thomas Assembly Center court."

CONFERENCE USA

Conference USA officially received a new look on July 1, 2013, while maintaining the same commitment to excellence, integrity and leadership in athletics, academics and in our communities.

Eight institutions, including the return of charter member Charlotte along with FIU, Florida Atlantic, Louisiana Tech, Middle Tennessee, North Texas, Old Dominion and UTSA, will join with East Carolina, Marshall, Rice, Southern Miss, Tulane, Tulsa, UAB and UTEP.

From its beginning in 1995, Conference USA's dedication to excellence has been the league's guiding principle and remains a common thread today and for a promising future. Throughout the changes during the C-USA history, the conference has held onto its strong foundation that reflects the league's national presence. These 16 schools have compiled numerous athletic and academic achievements. Additionally, the C-USA footprint will grow by nearly 20 percent, while providing the geography that allows for a divisional scheduling model that will be beneficial to the student-athletes, fan-friendly and cost effective.

Conference USA sponsors competition in 20 sports - nine for men (baseball, basketball, cross country, football, golf, soccer, tennis and indoor and outdoor track and field) and 11 for women (basketball, cross country, golf, rowing, softball, soccer, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom, in addition to sport specific All-Academic teams.

C-USA annually awards 12 postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award. Conference USA also added a Spirit of Service Award, recognizing student-athletes three times a year for a combination of significant community service efforts, good academic standing and participation in their elected sport.

SUCCESS ON THE PLAYING FIELD

Conference USA performers have achieved great success in competition, placing the league among the top conferences in the nation.

Football
72 teams have earned bowl bids
Member of the Bowl Championship Series
Bowl tie-ins with the AutoZone Liberty Bowl, Beef 'O' Brady's St. Petersburg Bowl, Bell Helicopter Armed Forces Bowl, Heart of Dallas Bowl, Military Bowl, R+L Carriers New Orleans Bowl and Sheraton Hawai'i Bowl

Men's Basketball
Consistently rated as one of the top basketball leagues in the country
108 postseason teams (50 NCAA, 42 NIT, 8 CBI, 8 CIT)
One National Championship title game appearance
Three Final Four teams
Seven Elite Eight NCAA Tournament teams
One NIT Champion and four NIT semifinalists
Inaugural CBI Champion
CIT Champion

Women's Basketball
48 NCAA Tournament appearances
43 WNIT appearances
One team in the NCAA Sweet 16
Two WNIT semifinalists
One WBI Champion

Baseball
58 NCAA appearances
Six College World Series appearances (2009, 2008, 2007, 2006, 2005 and 2001)
14 Super Regional appearances
Has produced at least four NCAA teams in nine of the last 12 seasons

In addition, 37 volleyball teams, 67 men's and women's soccer teams and 39 softball teams have earned NCAA Tournament bids. C-USA has sent three men's soccer teams to the NCAA College Cup, three softball teams to the Women's College World Series and three volleyball teams to the Sweet 16. The league has also had nine national champions in NCAA track and field competition, one national champion in diving and numerous NCAA individual and team competitors in cross country, golf, swimming, tennis and track and field. Overall, Conference USA teams and individuals have made more than 700 NCAA appearances.

SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance among student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well. In 18 years, 176 student-athletes earned national Capital One Academic All-America honors, while 618 were named All-District. In addition, more than 26,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

C-USA ON TV

C-USA enjoys significant television exposure through partnerships with FOX Sports Media Group, CBS Sports Network and ESPN. The multi-tiered selection process that is rooted in partnering with all three networks has substantially increased the number of national and regional appearances for football, men's and women's basketball, and all other conference sports.

As one the largest FBS conferences in 2013, C-USA membership will include institutions in 12 of the Top 65 television markets, eight in the Top 40 and four in the Top 25 media markets according to Nielson. C-USA home markets next year will include more than 14.5 million TV households, a 43 percent increase from a year ago.

C-USA DIGITAL NETWORK

The C-USA Digital Network officially launched in August of 2011. Network programming includes live streaming of non-televised events, video on demand, a weekly C-USA studio show, podcasting, regular-season and championship event highlights and conference-produced feature stories. In its first year, 1,164 events were streamed live and 8,126 videos were posted and available on the C-USA Digital Network, and that number just keeps growing. Monthly and yearly subscriptions offer fans access to events offered on all of the C-USA member institution's athletic websites as well as C-USA network programming.

C-USA IN THE COMMUNITY

The conference's current footprint is concentrated with 16 members in nine states and a combined area population of nearly 17 million. With a commitment to community involvement, the conference developed several initiatives to maintain strong ties in C-USA cities, as well as with fans and alumni across the country. C-USA schools also place a priority on giving back to their communities through volunteer service with local and national organizations. Individually, student-athletes are recognized each season through the Spirit of Service award.

GOVERNANCE

Conference USA has significant representation in the NCAA governance structure. The Presidents of the member institutions serve as the league's Board of Directors.

A PROUD HISTORY

Conference USA was formed in 1995 and quickly emerged as one of the nation's top conferences. The conference unveiled its name, logo and commissioner April 24, 1995 in Chicago. The league's charter members included Charlotte, Cincinnati, DePaul, Houston, Louisville, Marquette, Memphis, Saint Louis, Southern Miss, Tulane, UAB and USF. Eleven of the institutions began athletic participation in 1995, while Houston joined competition in the fall of 1996.

The league's headquarters were established in Chicago and, after nine years, relocated to the current office in Irving, Texas. Britton Banowsky was named Commissioner in October 2002, succeeding Mike Slive, the league's first commissioner.

C-USA added East Carolina (September, 1996) and the United States Military Academy (March, 1997) as football members. ECU began league competition in 1997; Army in 1998 and UAB began football play in 1999. The league added TCU and ECU (1999) for all sports and they began competition in 2001. USF started C-USA football in 2003. Marshall, Rice, SMU, Tulsa, UCF and UTEP became full-time members of Conference USA in 2005.

ENDOWED SCHOLARSHIPS

A number of student-athletes attend Louisiana Tech as a result of endowed athletic scholarships, which have been established as a means of supporting intercollegiate athletics.

Tech athletics would like to thank and recognize the following individuals who have established scholarships to benefit athletics or in whose honor or memory a scholarship has been established. The financial boost provided by these endowed scholarships is critical to maintaining a successful athletics program.

TEAM TECH 100

Team Tech 100 is a group of supporters dedicated to changing the landscape of Tech Athletics. Significant investment is required to elevate our athletics program. Your membership in Team Tech 100 will give Tech Athletics the resources necessary to consistently compete for conference championships and postseason play. For complete information on becoming a part of Team Tech 100, please call Adam McGuirt at (318) 255-7950.

DR. LES GUICE

University President

Louisiana Tech University and President Les Guice share a rich history together that spans five decades and has produced family ties that are deeply rooted in a passion for the Bulldogs and Lady Techsters. From an architecture student stepping on the campus for the first time in 1972 to an appointment as Louisiana Tech's 14th President in 2013, Dr. Guice has shown an unwavering commitment to leadership and service to his alma mater.

One of Dr. Guice's first achievements at Louisiana Tech was earning a bachelor of arts in architecture in 1976. Discovering a passion for engineering under the mentorship of Professor Jack Painter, Dr. Guice went on to earn a master's degree in civil engineering from Tech in 1978. While working on his master's degree, Dr. Guice also discovered a passion for teaching and education as a profession.

Dr. Guice accepted a position as an assistant professor of civil engineering at Louisiana Tech in 1978 and was promoted to associate professor in 1981. A few short years after earning his Ph.D. in civil engineering from Texas A&M University in 1986, Dr. Guice was named the interim department head of civil engineering in Louisiana Tech's College of Engineering in 1988 and earned the permanent department head position and full professorship in 1989. As department head, Dr. Guice initiated the formation of the Civil Engineering Advisory Board and the Civil Engineering Distinguished Alumni recognition program, both of which significantly enhanced alumni participation and significantly enhanced fund-raising for the department.

Throughout the next decade, Dr. Guice would continue to distinguish himself as an academician, researcher, administrator and leader. His dedication to his students, his faculty and the university would lead to his appointment as Dean of Louisiana Tech's College of Engineering and Science (COES) in 1999. As Dean, Dr. Guice continued to encourage and support innovations in the curricula. The College's faculty became increasingly successful in securing external funding for the integrated curriculum which resulted in a transformative redesign of curricula throughout the College.

Dr. Guice's leadership and vision also reinvigorated the Engineering and Science Foundation to more effectively serve the needs of the College. He initiated a new integrated strategic plan, known as "COES 2010," and capital campaign, "Tech's BEST," that led advancement of the college and to funding for an Eminent Scholar Chair, 15 Professorships, $500k Scholarship Fund, and several new laboratories and facilities.

Dr. Guice's leadership also helped to guide the Institute for Micromanufacturing (IfM) toward a focus on the emerging field of nanotechnology. With the hiring of key nanotechnology faculty in numerous disciplines, further expansion of research laboratories, establishment of an interdisciplinary engineering PhD program with a nanotechnology track, and initiation of a B.S. in Nanosystems Engineering, the IfM and COES established strong research and education nanotechnology programs that have received national recognition.

In 2004, Dr. Guice's performance and accomplishments as dean of the College of Engineering and Science led to his appointment as Louisiana Tech's vice president for research and development. During his tenure as vice president and as executive vice president in 2012, Louisiana Tech has significantly increased patents, licenses/options, start-up companies, SBIR grants with affiliated companies, and has established strong industry partnerships for commercialization of technologies. Dr. Guice also led the establishment of Louisiana Tech's first two technology incubators, the Rawle and Humana Enterprise Centers.

With a focus on the future and a progressive vision for economic development, Dr. Guice has led the planning and development of the Louisiana Tech Enterprise Campus – a research park connecting the university and downtown Ruston. Enterprise Campus' first building, Tech Pointe, was completed in 2012 and is now home for several companies and organizations, including an Air Force funded Cyberspace Research Laboratory. With the recent completion of Louisiana Tech's new College of Business building and renovation to University Hall as a home for interdisciplinary entrepreneurship and innovation activities, the first phase of Enterprise Campus is nearing completion.

Dr. Guice's reputation for exemplary leadership has not been bound by the campus or the region. Roles in statewide leadership have included election to serve as the founding Chair for the Louisiana Optical Network Initiative (LONI) Management Council, serving as Chair of the Louisiana EPSCoR Committee, and leading the development of a statewide science and technology plan, called FIRST Louisiana. Dr. Guice currently serves as Chair of the Board of Regents Master Plan Research Advisory Council and as the University of Louisiana System's representative on Governor Bobby Jindal's Louisiana Innovation Council.

Among the many awards and recognitions Dr. Guice has earned during his career is the Robert E. Russ Award from the Ruston/Lincoln Parish Chamber of Commerce (2009), Outstanding Civil Engineer from the ASCE Louisiana Section (2008), Louisiana Tech University Civil Engineering Distinguished Alumnus (2007), Louisiana Engineering Society's James M. Todd Technological Accomplishment Award (2007), Governor's University Technology Leader of the Year Award (2006), and Louisiana Engineering Society A.B. Patterson Medal for an Engineer in Management (2004.)

On December 4, 2012, during a special session of the University of Louisiana System Board of Supervisors, Dr. Guice was unanimously voted to serve as the 14th President of Louisiana Tech University. Dr. Guice officially took over as President on July 1, 2013.

As President of Louisiana Tech, Dr. Guice is the chief executive officer of north Louisiana's only Carnegie Foundation national research university and one of only two public universities from Louisiana recognized in the top tier of national universities in the U.S. News and World Report. Dr. Guice leads a university that most recently has been ranked #11 in the nation in a list of "Most Underrated Colleges In America" (Business Insider), #17 in the nation in a list of "Low Cost Colleges with High Starting Salaries for Graduates" (Affordable Colleges Online), and #21 in the nation for providing its graduates with the best returns on their investments (AdvisorOne.)

Throughout his career, Dr. Guice has contributed to and played a central role in creating the culture and vision for the future of Louisiana Tech, and continues that commitment as President. Dr. Guice's focus on campus-wide engagement, building and growing relationships, and leadership in forging a path toward advancement of the university's academic and athletic programs, research and commercialization activities, and economic development efforts means that Louisiana Tech University's best days are yet to come.

Dr. Guice is a native of Monroe and grew up in Bastrop. He and his wife, Kathy, have three sons – Kyle, Chad, and Bret – and one grandson, Christopher.

TOMMY McCLELLAND

Director of Athletics

Louisiana Tech hired one of the rising young stars in the industry when University President Les Guice introduced Tommy McCelland as the new athletics director during a press conference held at the Charles Wyly Athletic Center on July 16.

McClelland, who is the youngest AD among all Football Bowl Subdivision athletic programs, joins the LA Tech Family after serving a six-year stint in the same position at McNeese State in Lake Charles.

"I am extremely grateful for the opportunity to join the Louisiana Tech Family," said McClelland. "This is an institution that has a great academic and athletic reputation throughout the country as well as a storied past and a bright future. There is positive momentum that comes from a new conference affiliation, a new president and great coaches. There has never been a more exciting time to be a part of the Tech Family.

"To the fans and supporters of Louisiana Tech, I want you to know that my family and I look forward to getting to know you all in the near future. This truly is an exciting time, and I am proud and honored to be your athletics director."

Guice introduced McClelland to an overflowing room of Louisiana Tech supporters, coaches and administrators during the lunch-time press conference held in the Guthrie Jarrell Room.

"Tommy McClelland has demonstrated strong leadership skills and success in his early years as an athletics director," said Guice. "He has an extraordinary blend of intellect, character, talent, and drive that makes him one of the top young athletics directors in the nation. He articulated a vision for Tech Athletics that is consistent with mine and compatible with my vision for our entire university.

"I am thrilled that we have him leading our athletics program as we make our move into Conference USA, and I know that our Tech Family will see the benefits of Tommy's leadership skills in elevating our athletics program."

McClelland has made a national name for himself during his career after quickly elevating to the athletics director position at age 26. He has earned high praise from a number of high-profile, experienced athletic administrators.

"Tommy McClelland is an outstanding leader and one of the nation's rising stars in intercollegiate athletics," said Bubba Cunningham, athletics director at the University of North Carolina. "He has a demonstrated commitment to supporting and developing his coaches and student-athletes, and has already become well-known amongst ADs for his leadership, vision, and character. Tommy has also shown a dedication to lifelong learning and the application of his skills and talents to making his athletic programs better."

Prior to being named athletic director at McNeese State on March 19, 2008, McClelland served as interim athletic director and assistant athletic director of internal affairs at the university.

In his time at McNeese, McClelland and his staff had numerous success stories when it came to increased revenue streams and the overall game-day experience in Lake Charles. He started the "Partner with the Pokes" program that provides a smaller, more attractive sponsorship package for local small businesses. On top of the "Partner with the Pokes" program, McClelland raised over $3 million in private donations since April of 2007, and he was instrumental in increasing corporate sponsorships to nearly $1 million, while securing new clients and multi-year sponsorships.

McClelland was also responsible for increasing football season ticket sales as the program eclipsed the 8,000 mark in 2008 with a high of 8,035 in 2009. In addition, he was instrumental in setting single game attendance records in baseball, volleyball, softball, soccer, women's basketball and women's tennis.

In addition to increasing private and corporate donations as well as season ticket sales, McClelland was also successful with engaging the McNeese State fan base. He created and implemented the multi-city summer "Cowboy Round-Up Tour," which allowed McNeese State coaches, administrators and athletics staff to carry the department's message and vision to fans and donors across the south.

"Tommy is a rising star in the college athletics administration field and, in my view, the ideal leader to advance Louisiana Tech's athletics program as it transitions into Conference USA," said Ian McCaw, athletics director at Baylor University. "He possesses impeccable integrity and has an extraordinary work ethic. Moreover, his interpersonal and relational skills are outstanding and will enable him to quickly connect with Bulldog fans as well as campus and community leaders."

McClelland devised a plan to resurrect the "M" Club for former student-athletes. He also negotiated a new syndicated radio network for football, men's and women's basketball, and baseball. Included in that deal was the first ever radio station solely dedicated to broadcasting women's basketball. McClelland also re-negotiated the football program's TV replay contract, increasing the coverage area from one station to three different stations as well as the internet.

One of McClelland's main goals was to improve the life of the student-athletes and increase the game-day experience for the McNeese State fan base. One of the most effective ways to accomplish these goals was by improving the facilities, something in which he succeeded. During his time at McNeese State, he oversaw a combined total of over $11 million dollars in facility renovation and new construction.

The combination of increased revenue streams, renovations and new construction, and a highly-involved fan base led to plenty of success stories on the playing fields. During his tenure as athletic director, McNeese won Southland Conference championships in football (2007, 2009), soccer (2006, tournament; 2007, regular season), softball (2010, tournament; 2013, regular season), men's basketball (2011, regular season), women's basketball (2011, regular season; 2011 and 2012 tournament) and men's cross country (2012). The women's basketball program made its first appearances ever in the NCAA Tournament and the men's basketball program hosted the first round of the NIT postseason tournament (Boston College live on ESPNU).

Even more impressive is the fact that while the Cowboy and Cowgirl programs were capturing titles on the fields, the University's student-athletes were making tremendous strides in the classroom. In five of the six years, McNeese State led the Southland Conference with student-athletes being named to the Commissioner's Honor Roll.

In addition, McClelland guided the resurgence in APR success in Lake Charles. During his six years McNeese State, the number of athletic programs boasting the required APR score of 925 went from four to all 16 this past year. The community service hours performed by the MSU student-athletes also tripled to over 3,000 during his tenure.

"Tommy has a great knowledge of college athletics and excels at helping his student-athletes balance and succeed in their commitments to academics and athletics, said Warde Manuel, athletics director at the University of Connecticut. "Tommy has also proven his ability to work effectively with coaches and administrators to help his programs be successful."

McClelland earned his bachelor's degree from Northwestern State in 2004 before completing his master's degree in sports administration in 2005. He walked on with the Demons football team and eventually earned a scholarship while he also competed in the javelin for the NSU track and field team.

The native of Basile, Louisiana, native served as a graduate assistant at Northwestern State in athletics and also worked at the Southland Conference office as an administrative intern, assisting with championship events.

McClelland is also a 2012 graduate of the Executive Program of the Sports Management Institute and attended instruction at the University of North Carolina at Chapel Hill's Kenan-Flagler Business School and the University of Southern California's Marshall School of Business.

McClelland is married to the former Jessica Stokes of Garrison, Texas. They have two sons, Lawson (3) and Grayson (2).

What They're Saying about Tommy McClelland...

"Tommy McClelland is an outstanding leader and one of the nation's rising stars in intercollegiate athletics. He has a demonstrated commitment to supporting and developing his coaches and student-athletes, and has already become well-known amongst ADs for his leadership, vision, and character. Tommy has also shown a dedication to lifelong learning and the application of his skills and talents to making his athletic programs better. I congratulate both Louisiana Tech and Tommy, and feel both will benefit greatly from this hire."

– Bubba Cunningham, athletics director at the University of North Carolina

"Louisiana Tech and its search committee are to be commended for making an exceptional hire in Tommy McClelland. Tommy is a rising star in the college athletics administration field and, in my view, the ideal leader to advance Louisiana Tech's athletics program as it transitions into Conference USA. He possesses impeccable integrity and has an extraordinary work ethic. Moreover, his interpersonal and relational skills are outstanding and will enable him to quickly connect with Bulldog fans as well as campus and community leaders."

– Ian McCaw, athletics director at Baylor University

"Tommy is definitely recognized as one of the nation's up-and-coming athletics directors, and it's amazing what he's been able to accomplish during his time as an athletics director. He has always been eager to collaborate with his colleagues, and I enjoyed working with him while in the Southland Conference. I look forward to doing the same in Conference USA."

– Lynn Hickey, Athletics Director for the University of Texas at San Antonio

"Louisiana Tech has made a great hire in Tommy McClelland. He has a great knowledge of college athletics and excels at helping his student-athletes balance and succeed in their commitments to academics and athletics. Tommy has also proven his ability to work effectively with coaches and administrators to help his programs be successful."

– Warde Manuel, Athletics Director at the University of Connecticut

"Tommy is an extraordinary young athletics administrator and has proven himself to be a great leader. I have known him for many years, and he has always shown the highest degree of integrity, professionalism, and vision when it comes to working with coaches, student-athletes, and colleagues. I commend Louisiana Tech on an outstanding choice to have Tommy lead its athletics department."

– Tom Bowen, Athletics Director for the University of Memphis

"The Louisiana Tech Athletics Council has always done a great job of finding outstanding coaches and leaders, and they have certainly done that with the hire of Tommy McClelland as athletics director. Tommy is an up and comer, and clearly shares the same vision for Louisiana Tech that President Guice does. I know the coaches, players, administrators, and alumni will enjoy working with this dynamic leader. Tommy will take Tech Athletics to new heights."

– Leo Sanford, Former NFL All-Pro Linebacker and Louisiana Tech Hall of Famer

"I've known Tommy for a long time, and the character and integrity that he will bring to the university will not only surpass all our expectations but will make Louisiana Tech a model for athletic programs around the country to follow. I know him as a humble, hardworking, Christian man that will be a great influence and leader for our coaches and student-athletes alike."

– Luke McCown, NFL Quarterback and Former Bulldog Record-Setting QB

"I've known Tommy for a number of years and have admired the job he has done as athletics director at McNeese State. Tommy is a very bright and talented young administrator who knows what it takes to be successful in college athletics. I think the folks at Louisiana Tech have really made an excellent choice in selecting him as their next AD."

– R.C. Slocum, legendary Texas A&M head coach and College Football Hall of Famer

"We are excited about the opportunity to work with Tommy McClelland. He has a solid track record and will certainly bring a high level of energy and innovation to the job of leading a great university."

– Britton Banowsky, Conference USA Commissioner

"Tommy has been a great asset to the McNeese State family and alumni base. His commitment and hard work are obvious. Louisiana Tech is a university with a great reputation, and Tommy is the right individual to lead them into a new era. We wish him well in his new position."

– Chuck Kleckley, Speaker of the Louisiana State House of Representatives

Deputy Athletics Director and Senior Woman Administrator Mary Kay Hungate enters her 29th year as a member of the Louisiana Tech Athletics Department and has proven to be an integral part in the emergence of the University's programs on the playing fields and in the classroom.

Not only does Hungate serve as the sports administrator for men's and women's basketball, women's soccer, softball, women's tennis, women's bowling and women's volleyball, but she is also in charge of NCAA compliance for all of the university's 16 NCAA sanctioned programs.

As one of the top two ranking administrators in the Tech Athletics Department, Hungate is part of a senior staff that was instrumental in helping the University earn an invitation to join Conference USA starting July 1.

In addition, Hungate and the current senior staff have also garnered a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech athletics department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

Hungate serves a vital role in the hiring of coaches. Hungate proved instrumental in the decision by former Tech Kodak All-American and Hall of Famer Teresa Weatherspoon - who played for Hungate in the late-80s - to return to Louisiana Tech in June of 2008. Weatherspoon has led the program to a trifecta of Western Athletic Conference titles and two NCAA Tournament appearances.

She also served as the point person in the hiring process of head women's soccer coach Kevin Sherry and women's tennis coach Freddy Gomez. Sherry led the Lady Techster soccer team to five straight winning seasons (the first ones in program history), the program's first ever WAC victories and its first appearances in the WAC Tournament in 2010 and 2012.

Gomez took a program that had won only one WAC match since the University joined the league in 2001 and in his first season (2012-13) led the Lady Techsters to a 7-1 mark in conference action and the No. 3 seed in the postseason tournament. Gomez accomplished this with a roster that included four freshmen and only two seniors.

Another of Hungate's responsibilities includes overseeing the academic side of the Tech athletics department, another area which has

improved drastically as proven by the fact LA Tech's graduation rate continues to be one of the highest in the state (Federal Graduation Report).

This past year Tech student-athletes boasted an all-time high 76 percent four-year graduation success rate while the Bulldog golf team earned an NCAA Public Recognition Award for the third straight year. For the fifth consecutive year, Louisiana Tech saw impressive improvements in the majority of its Academic Progress Rates (APR) as all 16 of its NCAA sanctioned programs are penalty free for the third consecutive year.

Hungate also plays an important role in LA Tech's NCAA Certification process. As a member of the Steering Committee and the liaison between the athletic department and the University's Self Study Committees, she provides the information needed for the committees to write their reports. In 2006, LA Tech completed its second NCAA Certification cycle and once again was certified without conditions.

Hungate joined the Louisiana Tech staff in 1985 as an assistant women's basketball coach and remained in that role for five years. During that time, the Lady Techsters participated in four Final Fours and won the NCAA National Championship in 1988.

In 1990, Hungate made a move out of coaching and became assistant athletics director for academics and compliance as well as senior woman administrator. One of Hungate's early accomplishments as assistant director of athletics was the creation of the Louisiana Tech Athletic Academic Center program.

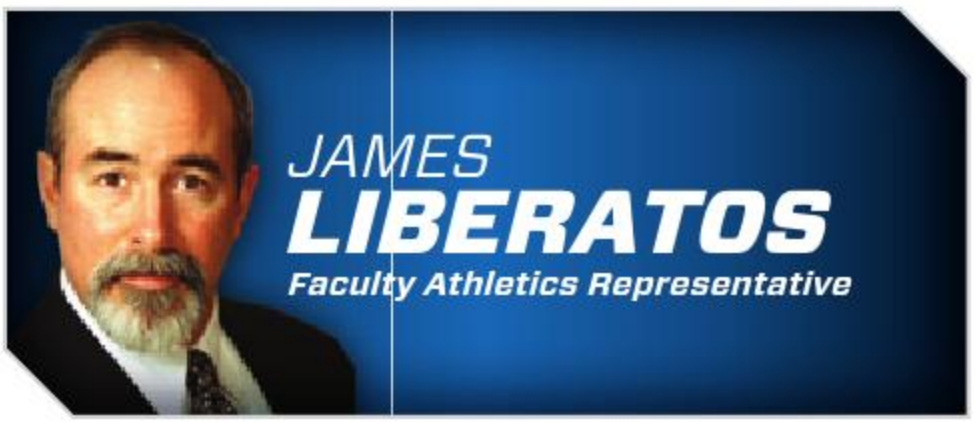
Hungate has served terms on the NCAA Division I Academics/Eligibility/Compliance Cabinet, the NCAA Division I Interpretations/Legislative Review Subcommittee, the National Association of Collegiate Women Athletics Administrators Wade Trophy Selection Committee and as an NCAA Peer Reviewer. She has also served on the NCAA Division I Women's Basketball Issues Committee since 2004.

During LA Tech's time as a member of the WAC, Hungate served on the Western Athletic Conference Council, the Conferences' Legislative Review Committee, the Finance Committee and the Code Book Committee. She also currently represents the athletics department as an ex-officio member of the LA Tech Athletics Council.

Hungate's professional career began as Women's Sports Coordinator and head volleyball, head basketball and head softball coach at Illinois' Carl Sandburg Junior College. She spent four seasons at the college where she guided the basketball team to a mark of 80-22 which included an 11th place finish in the 1976 NJCAA national tournament.

In 1978 Hungate took over the head coaching position at Richwoods High School in Peoria, Ill., and quickly compiled one of the top prep coaching records in the nation.

During her seven seasons at Richwoods High School, Hungate's team ran up an impressive record of 195-13, including a state-record 63 consecutive victories. Hungate was named the National Coach of the Year by USA Today in 1985. Before coming to Louisiana Tech, Hungate amassed a career coaching record of 275-35.



Dr. James Liberatos enters his 16th year as faculty athletics representative for Louisiana Tech University.

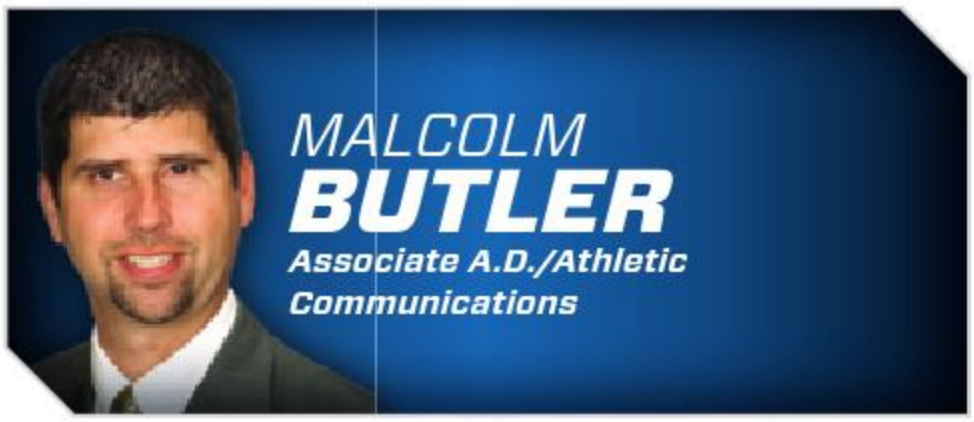
Since arriving at Tech in 1989, Liberatos has been responsible for so much more than just molding young minds as a professor of biology. In 1996, he was named a member of the Louisiana Tech Athletics Council and in 1998 was elevated to chair of the council. Also in 1998, Liberatos started serving as chair of the Louisiana Tech Athletics Hall of Fame.

As faculty representative, Liberatos has been designated by the university to serve as a liaison between the institution and the athletics department, and also as a representative of the institution in conference and NCAA affairs. He does so to ensure that the academic institution establishes and maintains the appropriate balance between academics and intercollegiate athletics.

In 2002, Liberatos gained even more responsibilities as he was named dean of the College of Applied and Natural Sciences.

A native of Charleston, South Carolina, Liberatos earned a bachelor of science in biology from the College of Charleston in 1980. He continued his education at Florida State University earning a master's in science in 1982 and a PHD in biology in 1986.

Liberatos is an avid swimmer who also enjoys fishing. He and his wife Beth have been married since 1988 and have two sons, Jim and Nicholas. Jim graduated from Louisiana Tech in February of 2013 while Nicholas is currently enrolled at the University.



Malcolm Butler begins his 15th year in the Louisiana Tech Athletics Department, his seventh as the associate athletic director in charge of communications.

A 1994 graduate of the Louisiana Tech journalism department, Butler joined the athletic department in July of 1999 as the assistant athletic media relations director. Butler was then promoted to director four months later and served in that capacity until the fall of 2007 when he was promoted to associate athletic director.

The Ruston native is in charge of media relations for women's basketball, softball and men's golf and also serves as the secondary contact for football while overseeing the daily operations for the entire department.

During his time at Louisiana Tech, Butler has been instrumental in promoting numerous high-profile student-athletes including record-setting quarterbacks Tim Rattay and Luke McCown, All-American women's basketball players Tamicha Jackson and Cheryl Ford. He has also worked closely with a number of highly-successful head coaches, including 4-time Hall of Famer Leon Barmore, former Tennessee head football coach Derek Dooley and current Lady Techster women's basketball coach Teresa Weatherspoon.

Over the course of his tenure, Louisiana Tech's Media Relations Department has proven to be one of the best in the state of Louisiana. Over the past 12 years, members of the Tech media relations department have won a total of 44 awards at the annual Louisiana Sports Writers Association (LSWA) state SID contest -- the second most behind only LSU.

During that same period of time, Butler has garnered 27 of those awards which is second most among all state SIDs behind only LSU Associate Athletics Director Michael Bonnette (28).

Butler is part of a senior staff at LA Tech that has been instrumental in garnering a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech athletics department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

He was instrumental in the forming the partnership between Louisiana Tech and CBS Interactive in the fall of 2007 in the redesign and hosting of the athletic departments website, www.LATechSports.com. The website has undergone three redesigns since the inaugural release.

As part of the agreement with CBS Interactive, a new webstreaming platform - LA Tech All-Access was created - which allows fans from all over the world to watch live streams of almost all of the university's home athletic events. LA Tech All-Access annually streams more than 125 live events.

Butler has served as the host media coordinator for three NCAA Women's Basketball First- and Second-Round sites hosted by Louisiana Tech (2000, 2001 and 2003) while also serving as the host media coordinator for the 2008 WAC Baseball Championships and the 2013 WAC Softball Championships hosted by Louisiana Tech in Ruston.

In addition to his media relations responsibilities, Butler has served as the radio play-by-play voice for the nationally-prominent Louisiana Tech Lady Techster basketball team for the past 14 years, including the past 13 as the play-by-play announcer. He finished in second place statewide in the LSWA College Radio Play by Play category in 2013 behind only LA

Tech Hall of Fame broadcaster Dave Nitz.

Butler has broadcast more than 380 women's basketball games - including 15 NCAA Tournament games. He has also broadcast in excess of 150 softball games, including four in the 2008 NCAA Tournament, and served as the color commentator on numerous Bulldog football and basketball broadcasts. Butler is the host of Inside Tech Basketball with Teresa Weatherspoon, a 30-minute radio show.

Butler implemented a fundraising campaign for his department in the fall of 2007 and since that time it has raised over $35,000, which has been used to purchase additional equipment, software and other essentials within the media relations department.

He is a member of the College Sports Information Directors of America (CoSIDA), Louisiana Sports Writers Association (LSWA), United States Basketball Writers Association (USBWA) and Football Writers Association of America (FWAA).

Marie Gilbert enters her 29th year at Louisiana Tech and her sixth as associate athletics director and chief financial officer in the athletics department.

Gilbert is responsible for the day-to-day business operations of the athletic department, including overseeing the individual budgets for 16 varsity sports, monitoring athletic funds of the Louisiana Tech Athletic Foundation, serving as liaison with the university's business offices and supervising the athletic ticket office.

She is part of a senior staff at LA Tech that was instrumental in the University's invitation to join Conference USA starting July 1. She has also been actively involved in numerous initiatives to enhance the athletics department, including signing new agreements with companies such as Learfield, the Aspire Group, Ticketmaster, Pepsi and ACS Athletics.

The hard work and vision of that same senior staff has led to numerous national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech Athletics Department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

Gilbert previously served as the budget manager for the College of Engineering for six years where she had similar duties. She was also in the College of Liberal Arts as the dean's assistant handling day-to-day business in the office while working with budget planning for the year.

In 2002, she received the Distinctive Professional Performance and Conduct Award from the Institute of Micro-manufacturing at Louisiana Tech.

Gilbert has earned two degrees from Louisiana Tech University and completed a master's certificate in technical writing.

She is a current member of the National Association of Collegiate Marketing Administrators (NACMA) and the College Athletic Business Management Association (CABMA).

She is also actively involved in the American Cancer Society and serves as the chair for the Relay for Life Luminaria Service. She is on the Executive Committee for the ACS Relay for Life in Lincoln Parish.

Gilbert and her husband, Tim, reside in Bossier with their five dogs.

Brian White enters his second season at Louisiana Tech as associate athletic director for external affairs.

White works closely with the unit heads of development, marketing, media relations and the ticket office coordinating all external affairs for the department. White supervises the sports of men's golf and baseball and assists the athletic director in football administration and scheduling.

White also coordinates all activities for the department with multimedia rights holder Learfield and Louisiana Tech Sports Properties as well as the Aspire Group for ticket sales.

Before coming to Louisiana Tech, White spent over three and a half years at IMG College (formerly ISP Sports) at the University of Arkansas (Razorback Sports Properties) and at the University of California Berkeley (Cal Sports Properties), initially as an account executive before being promoted to a senior account executive.

While at IMG College, White was charged with growing revenue through corporate sponsorship sales of multimedia assets. In his first year with Cal Sports Properties, White achieved a sales number equivalent to 275 percent of his personal sales goal. In both years at the University of Arkansas, White surpassed his individual and property sales goals.

While pursuing his undergraduate and graduate degrees, White gained valuable experiences through various internships working for the IMG College Corporate Office, Ohio University Athletics, Arizona State University Athletics and the NCAA Headquarters.

He earned a bachelor's degree from the University of Notre Dame in 2006 and a master's in business administration from Ohio University in 2008.

White comes from a family entrenched in intercollegiate athletics. His father, Kevin, is director of athletics at Duke while his brother, Danny, is director of athletics at Buffalo. His brother, Michael, is the head men's basketball coach at Louisiana Tech.

He and his wife Paige reside in Ruston.

Jeffry Cummings begins his second year at Louisiana Tech, his first as the assistant athletics director for ticket operations after serving as the ticket operations associate last year.

In addition to the normal day-to-day responsibilities of the ticket office, Cummings will coordinate all marketing and sales efforts with The Aspire Group, will coordinate game day staffing for ushers, ticket takers and sales staff, will oversee the Ticketmaster system, and will coordinate donor tickets and seating with the Foundation and LTAC. He will also work closely with the business office balancing accounts as well as overseeing the annual audit.

Cummings came to Ruston with experience working in both the LSU and Tulane athletic departments as well as for the New Orleans Zephyrs minor league baseball team. During his college days in Baton Rouge, he worked in the LSU athletic department helping coordinate promotions for men's basketball and women's soccer.

After graduating from LSU in 2007 with a bachelor's in general studies, Cummings spent seven months as a marketing and promotions in-

tern for the Zephyrs where he worked extensively with the franchise's kids club.

Cummings then joined the Tulane family in September of 2008 as a marketing and promotions assistant in the athletic department where he worked in a number of areas including tickets, promotions and marketing.

Mason Ellenberger has served as General Manager for LA Tech Sports Properties since August of 2008. LA Tech Sports Properties is the Ruston-based entity designed to oversee all aspects of the 10-year partnership between the University and the collegiate marketer Learfield Sports.

At LA Tech, Ellenberger is responsible for spearheading all elements of the relationship between LA Tech and Learfield Sports, which was announced in late July 2008 and includes managing and selling multimedia and sponsorship rights for the Bulldogs and Lady Techsters.

Ellenberger is also responsible for all aspects of the LA Tech Sports Network which broadcasts over 250 Louisiana Tech games, daily shows and coach's shows throughout the year.

In Ellenberger's previous role as the Team Sports Marketing Manager for Alltel Wireless, he led Alltel's strategic team sports marketing efforts in the United States. He oversaw the national promotions and activation of the sponsorship stable owned by Alltel Wireless in the US including the professional and collegiate sponsorships.

Prior to his years at Alltel, Ellenberger spent the previous 13 years in strategic sales leadership, sports marketing and public relations roles in the telecommunications and entertainment industries.

The Birmingham, Ala. native has served on numerous endowment boards and board of directors for sports and education organizations including The Boy Scouts of America, Tri Running Endurance Sports Club, Pagnozzi Charities and the Arkansas Aeronautical Education Center.

He has been honored by White House Communications Agency for providing critical communications for the President of the Unites States and White House Staff. Ellenberger holds a BBA and MBA in Marketing both of which he graduated Summa cum Laude. Ellenberger is also an Eagle Scout and a long-time supporter of the Boy Scouts of America.

He is married to the former Wanda Jackson from Mobile, Ala., and the couple has two sons, James and Hunter and reside in Ruston.

Logan Lewis joined the FRMC in November of 2011 as a full-time ticket sales consultant. Meeting and exceeding his goals for the year, Logan was promoted to Senior Sales Consultant in July of 2012, and promoted again to FRMC Manager in March of 2013.

Lewis is responsible for hiring and training a professional sales staff to sell tickets for LA Tech Athletics. As FRMC Manager, he also oversees any group sales campaigns and makes recommendations to the Tech Administration on new ticket strategies.

He is a Ruston native having been raised in the Louisiana Tech tradition under the guidance of former Tech football coach E.J. Lewis, his grandfather, and former Dean of Admissions, Patsy Lewis, his grandmother. In 2008, Logan earned a bachelor of the arts degree from Louisiana Tech with a concentration in speech communication.

Before moving back to Ruston, Logan was the manager of the Olde Tyme Grocery Store in Lafayette, Louisiana. A casual New Orleans Saints fan, there is really only one team that is close to Logan's heart: he is generally known as the Louisiana Tech homer in the Fan Relationship Management Center.

Adam McGuirt enters his seventh year with the Louisiana Tech Athletics family as the director of athletic advancement, working in the Division of University Advancement.

At Louisiana Tech, McGuirt is responsible for all areas of athletic development, including donor relations and all aspects of the Louisiana Tech Athletic Club (LTAC).

During his previous six years at LA Tech, McGuirt has been instrumental in helping more than double the number of LTAC members which has resulted in a large increase in private donations.

McGuirt also works closely with the Louisiana Tech Alumni Association in the development and implementation of events for alumni and friends throughout the state of Louisiana and surrounding areas.

McGuirt has also been a part of a staff at LA Tech that helped the University receive an invitation to join Conference USA starting July 1. That same staff has been instrumental in garnering a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech Athletics Department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

A native of Shreveport, McGuirt graduated from Louisiana Tech in 2003 with a bachelor's degree in business administration.

McGuirt is married to April, and the couple has three daughters: Lily, Sophie and Emily.

Tommy Sisemore is one of the longest tenured employees in the Louisiana Tech Athletics Department beginning his 34th year at the University, his 17th as director of athletic facilities.

Sisemore is responsible for overseeing the upkeep of all of Louisiana Tech's athletic facilities, including Joe Aillet Stadium, the Thomas Assembly Center, JC Love Field at Patterson Park and more.

Some of Sisemore's additional duties include assisting with team travel for the Bulldog football team, helping handle all aspects of team travel, including hotel, food and travel arrangements. Sisemore also handles all the financial expenses incurred in the travel process.

Sisemore is part of an administrative staff at LA Tech that has been instrumental in garnering a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development;

community relations; and customer/client service.

The Tech athletics department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

Prior to working in the athletic department, Sisemore spent 17 years working in the Louisiana Tech Physical Plant.

Sisemore and his wife Stephanie, who is a Louisiana Tech graduate, are the proud parents of one daughter, Jessica.

Anna Claire Thomas begins her second year in the Louisiana Tech Media Relations Department as the primary sports information director for baseball, women's volleyball and women's bowling.

As a student at LA Tech, Anna Claire served as the sports editor for The Tech Talk over the course of two years and served as editor-in-chief for the school newspaper. Anna Claire also was a student intern for the Louisiana Tech athletic Multimedia Department for three years specializing in video productions for LA Tech All-Access.

In her time as the school newspaper's sports editor, Anna Claire was named Best Sports Columnist and Best Sports Writer by the Society of Professional Journalists (Region 12) and Louisiana Press Women respectively.

A Monroe native, Anna Claire graduated in the fall of 2012 with a bachelor's degree in journalism and a minor in marketing.
